Summer 2019: Field Trip Activity Schedule

DREAM BIG: What Do I Dream to Be?

This summer's theme will focus on the question that so many kids ask - What do I want to be when I grow up? Each week will have activities and field trips themed around a few potential dream jobs for the future-things like marine biologist, scientist/engineer, actor/director, animal researcher, and more!

Session 1 (6/3 - 6/7): Dream Big! (Intro)

Campers will kick the summer off with an exciting trip to **Ninja Bounce**. There they will enjoy inflatables and other games, plus a strategic nerf battle with forts, obstacles, and more. Then what brings people together like making food? With the help of Tampa's **Chef it Up to Go** (On Site), campers will have their own culinary experience and get to sample or take home food created by their own hands. And last but not least, students will head to Largo to **Swim @ Highland Family Aquatics Center**, the premier Pinellas county swimming pool featuring a play / splash area, 4+ water slides, and more!

Session 2 (6/10 - 6/14): VBS Week

Considered by many as one of the best weeks of summer, each student will receive **Admission to VBS** (On Site), which occurs daily from 9:00 AM - 12:30 PM. This year's theme, Roar, promises to be a fun one, with tons of interactive activities, silly games, great music, Bible stories, and more. Due to overwhelming demand, admission to Session 2 will be limited to families enrolling in **6 or more sessions of camp**.

Session 3 (6/17 - 6/21): Scientist / Engineer

Session 3 is going to be incredible! Campers will put those hands and minds to work with an activity from the bay area's premier STEM club activity provider, **Bricks 4 Kidz** (On Site). Plus campers will visit the world famous **Clearwater Marine Aquarium** where they will see dolphins Winter and Hope, as well as many other great sea creatures. They will learn about the water cycle and what makes Florida's environment so special. Plus campers will again visit Pinellas County's premier pool to **Swim @ Highland Family Aquatics Center**.

Session 4 (6/24 - 6/28): Animal Researcher / Veterinarian

This is going to be an amazing week! Campers will kick the week off with a show from the **Menestrelli Circus Dogs Show** (On Site). You might recognize the Menestrelli Show from America's Got Talent Season 12. Then campers will feel like animals themselves as they climb, swing, and slide at the **Largo Rec's Playworld**. And as if that wasn't enough, campers will be treated to a one of a kind scavenger hunt experience inside St. Petersburg's **Sunken Gardens**. While there campers will look for clues while enjoying the sights of the gardens, beautiful flamingos, and more!

Session 5 (7/1 - 7/3): World Travel Blogger

Students can attend this 3 day week for just \$105! It will feature a visit from **The Giving Tree Drum Experience** (On Site). This is always one of the campers' favorite activities as each child gets their own bongo, congo, or other drum / instrument to make beautiful, exotic, and usually loud music together. And campers might feel like they are traveling halfway across the world as they head to **Congo River Mini Golf** for a fun round of miniature golf. The course features lots of fun and exotic scenery plus some great obstacles!

Summer 2019: Field Trip Activity Schedule

Session 6 (7/8 - 7/12): Marine Biologist

Campers won't want to miss this exciting week featuring a visit from **Croc Encounters** (On Site) and everyone's favorite water reptiles and much more! Then campers will head to Clearwater Beach to board **Tropics Boat Tours** for an exciting boat ride tour of our surrounding waterways and the Gulf. Along with lots of other sea life, campers are almost certain to see playful dolphins jumping in the wake. Plus campers will again visit Pinellas County's premier pool to **Swim @ Highland Family Aquatics Center**.

Session 7 (7/15 - 7/19): Actor / Director / Stunt Person

Another can't miss week. Campers will be heading to **MOSI** where they will enjoy lots of hands-on learning and fun. Plus since this week is all about Hollywood stars, while there we will focus on some real stars with a visit to **Saunders Planetarium**. And this week campers will get to take the stage and show off their own talents at the annual **Camp CUBBER's Got Talent Showcase** (On Site) where each group performs for the camp. Campers will also enjoy a **Movie Experience** (On Site) complete with a movie on a big inflatable screen, popcorn, and other treats!

Session 8 (7/22 - 7/26): Writer / Historian

This will truly be a week to write about! Campers will head to **Horse Power for Kids Ranch** to experience life on a local horse ranch, where they will not just see animals, but interact with them up close. Next up is a visit from **WaterVenutres: Florida's Learning Lab** as they bring a semi truck full (inside and out) of hands-on, interactive learning experiences on how to be better stewards of Florida's diverse watersheds. Plus talk about something to write about, campers will feel like they are transported to a water park of their own with a **Water Fun Day with Inflatable Water Slides** (On Site).

Session 9 (7/29 - 8/2): Let's Just Be Kids!

A sweet end to this fantastic summer! It's fun to pretend what we might be someday, but for now... let's just be kids! Campers will have one more chance to splash, slide, and soak up the fun on a trip to **Swim @ Highland Family Aquatics Center**. Plus campers will experience the magic and incredible juggling abilities of **Jeff the Juggler** (On Site). And to end the summer, campers will live out their dreams as they enjoy a trip to **Skyzone** to bounce, climb, and soar in ways never thought possible before. Due to limited capacity, Session 9 is only available to campers signed up for **7 or more total sessions** or who are enrolled in Stars & Comets for the 2019 - 2020 school year.
