

ADVENTURERS (4th - 5th Grade)

Summer 2020: Field Trip Activity Schedule

SLIME WORKS: In addition to each week being filled with some slimy fun, there will also be a weekly theme relating to the slime we are making or learning about. So we will have space and glow in the dark activities during Galaxy Slime Week, we will look into marine life during Fishbowl Slime Week, and we will do lots of activities that have to do with going fast during Speed Slime Week. Plus continuing with the Slime Works theme, each week during opening session (and beyond) campers will learn how to get out of "sticky" life situations as they learn what the Bible has to say about things like lying, gossip, bullying, peer pressure, cheating, and more!

Session 1 (6/1 - 6/5): Fishbowl Slime (Marine Life)

Kicking off camp with an incredible first week! Students will experience lots of different forms of sea life up close, plus have the opportunity to touch a sting ray or hold a sea urchin. Yuck? Yay? You decide! All this and more awaits them at the **Florida Aquarium**. Then campers will enjoy a trip to either **AMC Classic** or **AMC Woodlands 20** to see the all new **SpongeBob Movie: Sponge On The Run**. The campers will giggle, laugh, and have a blast with this movie! Plus campers will get their soak on with a **Water Fun Day with Water Balloon and Squir Gun Games (On Site)**.

Session 3 (6/15 - 6/19): VBS WEEK

Considered by many as one of the best weeks of summer, each student will receive **Admission to VBS (On Site)**, which occurs daily from 9:00 AM - 12:30 PM.
