

CUBBER Jr. (K - 1st Grade)

Summer 2020: Field Trip Activity Schedule

SLIME WORKS: *In addition to each week being filled with some slimy fun, there will also be a weekly theme relating to the slime we are making or learning about. So we will have space and glow in the dark activities during Galaxy Slime Week, we will look into marine life during Fishbowl Slime Week, and we will do lots of activities that have to do with going fast during Speed Slime Week. Plus continuing with the Slime Works theme, each week during opening session (and beyond) campers will learn how to get out of "sticky" life situations as they learn what the Bible has to say about things like lying, gossip, bullying, peer pressure, cheating, and more!*

Session 1 (6/1 - 6/5): Fishbowl Slime (Marine Life)

Kicking off a great first week of camp, campers will enjoy Blaise and his mesmerizing **Sphere's Bubble Show (On Site)**. Fans of America's Got Talent will recognize Blaise from Season 13 where he put Tyra Banks in a giant bubble! And campers will get their soak on with a **Water Fun Day with Water Balloon and Squirt Gun Games (On Site)**. Plus, campers will learn more (and interact with) reptiles and other animals with an interactive show from **Dundee Farms (On Site)**. No offsite field trips Session 1? That's correct. To help our youngest campers (and their parents) feel more accustomed to camp, we will not have any offsite field trips the first 3 sessions. But don't worry, we'll still have 3 awesome weekly on site activities those weeks!

Session 2 (6/8 - 6/12): Mystery Slime (Mystery & Adventure)

Get ready for some adventure! Campers will enjoy a fun day where they can ride a train and soar through the air on **Quad Jumpers, a Mini Off Track Train Ride, an Inflatable Obstacle Course & More (On Site)**. Session 2 will also feature a visit from **Challenge Island (On Site)**, a new and exciting STEM club activity provider. Campers will take on challenges together in an experience they won't soon forget. Plus campers will laugh and be amazed with a comedy and magic show by **Razzmatazz Entertainment (On Site)**.

Session 3 (6/15 - 6/19): VBS WEEK

Considered by many as one of the best weeks of summer, each student will receive **Admission to VBS (On Site)**, which occurs daily from 9:00 AM - 12:30 PM. This year's theme, Rocky Railway, promises to be a fun one, with tons of interactive activities, silly games, great music, Bible stories, an amazing set, and more. Due to overwhelming demand, Session 3 is only available to campers signed up for **7 or more total sessions** or who are enrolled in Stars & Comets for the 2020 - 2021 school year.

Session 4 (6/22 - 6/26): Wild About Slime (Animals)

This is going to be one amazing week! This week will feature our first offsite activity of the summer for CUBBER Jr. - a field trip to **Build-A-Bear Workshop** at Westfield Countryside. While not exactly wild animals, at Build-A-Bear campers can create a new furry friend to help them remember this amazing summer. Plus students will also witness a flying squirrel, a giant albino boa constrictor, a soaring owl, and more at the **Wonders of Nature Animal Show (On Site)**. And if that weren't enough, campers will enjoy a super fun **Safari Scavenger Hunt (On Site)**.

Session 5 (6/29 - 7/2): Star Spangled Slime (America)

Students can attend this 4 day week for just \$119! As part of this incredible session, campers will enjoy animals from across America and across the globe with a fun field trip to **Zoo Tampa at Lowry Park**. Also, campers will enjoy a one of a kind **Camp CUBBER Carnival (On Site)** featuring inflatable games, carnival style games, special treats, prizes, and so much more!

CUBBER Jr. (K - 1st Grade)

Summer 2020: Field Trip Activity Schedule

Session 6 (7/6 - 7/10): Galaxy Slime (Space / Glow in the Dark Fun)

Campers won't want to miss this exciting week! The week features a super fun trip to **Pump It Up**, complete with a time of glow-in-the-dark inflatable play. Plus campers will enjoy a fun day of **Glow-In-The-Dark Gaga Ball and Glow-In-The-Dark Mini Golf (On Site)**. So cool! And to finish things off, campers will be out of this world at their chance to cool off and get wet to their heart's content at the **Dunedin Spray Park**.

Session 7 (7/13 - 7/17): Unicorn Slime (Dreams & Imagination)

Imagination ahead! Creative thinking and imagination are at the foundation of the exhibits at **Glazer Children's Museum**. Campers will enjoy a day of hands-on, learning (shhh!) fun. And what will your child create as their culinary masterpiece? With the help of Tampa's **Chef it Up to Go (On Site)**, campers will make AND EAT some fun food projects created by their own hands. And this week campers will get to take the stage and show off their talents at the annual **Camp CUBBER's Got Talent Showcase (On Site)**.

Session 8 (7/20 - 7/24): Speed Slime (Going Fast!)

We are really excited about Session 8! I mean, what is more exciting than a place where you can flip, spin, tumble, and launch yourself off a trampoline into a giant foam pit! The answer? Nothing. With that in mind, campers are headed to **Future Flipz** for a fun day of gymnastics and more. Campers will also be dashing, relaying, and running as fast as they can in the **Camp CUBBER Olympic Field Day (On Site)**. And ladies and gentlemen start your engines! Get ready for a fun **Mario Kart Remote Control Car Race (On Site)** complete with carts your child will know and love from the popular video game!

Session 9 (7/27 - 7/31): Enough with the Slime (Just Plain Fun!)

As the summer comes to an end, so does the slime. This week will be JUST PLAIN FUN! Campers will end the summer with a ride on the one and only **Captain Memo's Pirate Cruise**. Swashbuckling adventures await our young campers on a ride they won't soon forget. Plus campers will also enjoy a **Movie Experience (On Site)** complete with a big inflatable screen, popcorn, and other treats! And last but not least, students will feel the thrill of a **Water Fun Day with Inflatable Water Slides (On Site)**. Don't miss this incredible week. Due to limited capacity, Session 9 is only available to campers signed up for **7 or more total sessions** or who are enrolled in Stars & Comets for the 2020 - 2021 school year.

Registration: \$60 - new campers / \$50 - returning campers / \$40 - current Stars & Comets students
Tuition: K-5th Grade (Sessions 1, 2, 3, 4, 6, 7, 8, or 9): \$149.00 per session
 6th-8th Grade (Sessions 1, 2, 3, 4, 6, 7, or 8): \$169.00 per session
 All Grades (Session 5): \$119.00
 6th-8th Grade (Session 9): \$189.00
